PRODUCT DESIGNER & UI/UX DESIGNER

Dedicated Computer Science graduate with a passion of creating intuitive and engaging digital experiences. My approach to design is user-centered, data-driven and focused on creating solutions that are both aesthetically pleasing and functionally effective. I'm constantly learning and evolving, staying up-to-date on the latest design trends and technologies.

KEY COMPETENCIES:

Visual communication	Product branding	Excellent communication Skills
Problem Solving	Critical thinking skills	Proactive and self-motivated
Storytelling	UI/UX Design	Exceptional organizational skills
Adaptability	Colour Theory	Excellent time management
